ASSISTANT BOXING COACH

An exciting opportunity has arisen to employ an Assistant Boxing Coach for our Community Programs. You must have an interest in keeping fit and healthy and a passion for helping and guiding people into following positive pathways

Bright Star Boxing Academy is passionate about using Boxing as a tool to engage and support young people to make positive life changes and thrive, helping them to re engaging them back into education or employment

The successful candidate will be put through the relevant fitness, mentoring and boxing qualifications.

You will work within the gym team to carry out the following duties

- Ensure the gym is operating to the required standard
- Act as a community point of contact promoting the gym and benefits to schools and community groups
- Support the delivery of community projects that are targeted at specific groups such as the elderly, schools, young offenders, homeless or children in need
- Plan, adapt and deliver boxing classes
- Coach and lead planning sport and physical activity sessions
- Undertake all jobs relating to the running of an effective gym including reception work, class organisation, managing stock
- Assist with the mentoring sessions
- Work on a one to one and group basis with students

Bright Star Boxing is looking for a confident communicator, someone interested in community sport and with an interest in leading boxing sessions. All training will be provided by the gym or alternative providers.

The working hours will be 9:30-2:30 Monday – Friday with the opportunity to take on additional hours.

All interested candidates must send a CV and cover letter to Jack.lellow@brightstarboxing.co.uk by 25th March 2022.
